### **Len Bradshaw Memorial Trophy**

This trophy represents all volunteers who give up their time for the sport of swimming at club level on the Darling Downs as Len Bradshaw is remembered as a regular worker for his club, representing his club at District Meetings, acting at club and Toowoomba swims as a technical official, usually as a Finish Judge. He was presented with a Life Membership of Toowoomba in 1998.

Len Bradshaw felt very strongly about Club, District and Regional participation and that however busy a swimmer competitive program may be they should always make time to compete at these levels as required

The recorders review the swimmers performances and results from the Regional Swimming Championships and compare results with his or her Age or Open Australian Record.

Selected by the DDRSA recorders.

#### Criteria

- The reviewed performance must be achieved in a distance event of 100metres or more
- The reviewed performance must be achieved at the Current Regional Championships
- The swimmer with the time closest to the National record will be selected for this award
- Can be won more than once
